

PRESS COVERAGE

Hello,

I am writing to invite you to an investor webinar for Diagnos Inc. (DGNOF), titled *"Turning Routine Eye Exams Into Scalable Disease Detection Through AI"*

I will be joining Sidharth Mehta, Director of Allele Capital Partners for a concise company update focused on commercial execution, key milestones, and Q&A

Live access:

- [YouTube Live Event Stream](#)
- [LinkedIn Live Event Stream](#)

Timing:

- Thursday, March 19th, 1pm (ET)

Agenda:

- Brief company overview and platform workflow
- Commercial strategy and near-term execution priorities
- Regulatory strategy and key milestones

If you haven't yet registered, please [Register Here](#)

If you would like us to address a specific question, you can reply with your topics in advance, and I will prioritize them during the Q&A segment.

Look forward to seeing you all there!

Andre Larente
CEO
